ISES CELEBRATES SWC50
2-4 DEC 2020
MELBOURNE

JOIN THE CELEBRATION
2-4 December 2020 · Melbourne, Australia
Held biennially since the 1970’s, the ISES Solar World Congress, embodies the spirit of international networking and exchange of ideas advanced by the Society.

In 2020, the International Solar Energy and the Solar World Congress will return to Melbourne, Australia celebrating the 50th Anniversary of the Solar World Congress where the first Congress took place in March 1970.

We invite you to join ISES and the global solar community to celebrate, look back and of course to look towards the future – exciting opportunities are available for you and your company to participate.
